

RAINIER

BY
Jessica Rose

NESTLED AT THE BASE OF MOUNT RAINIER in a small logging town, Jessica Rose spent her childhood splashing in puddles, eating sun-warmed blackberries, cozying up to read, and picking apples from a tree in her front yard. Rainier is a modern interpretation of rain-filled adventures, blending delicate florals with graphic geometric prints.

New Designer!

After struggling to find quilts and fabrics that matched her contemporary home, Jessica Rose started designing quilts that fit her fresh, interior-minded aesthetic. Quilted Studios, established in 2022, is dedicated to stylish and inviting quilt pattern and fabric design. Although new to the industry, Quilted has made waves with its sleek lines, elegant motifs and limited color palettes. Jess is married to her best friend, an Air Force physician, and they have two little girls (a blonde and a redhead, making them officially, the family from Disney's *Frozen*). Jess would love to connect with you on Instagram: www.instagram.com/quiltedstudios or through her website: www.quiltedstudios.com, where you'll find lots of quilting tutorials and free resources.
