

# FARM FRESH

## BY GINGERBER

Z E S T F O R Y O U R N E S T

*Farm Fresh* brings you Gingerber's signature animals along with plenty of fun, summery patterns to create the most happy and fresh quilts! Farm Fresh feels like you are on a picnic with colors of red and blue, plus just a touch of black and white. The mix means that your *Farm Fresh* quilts can read very minimal or extremely colorful.
